

Dear Client,

I look forward to working with you at my Linden Hills location, 4315 Xerxes Av S 55410. **PLEASE PARK ON THE STREET.** Several people live at this residence and need to get in and out. You can view a map on my website at www.kimpilgrim.com. Please call if you need further directions.

Work takes place in the “Little House” behind the main house. Walk all the way up the driveway and you will see it to the right in the back of the yard. Please feel free to use the bathroom in the main house. Enter through the side door, into the kitchen of the main floor and to your left.

Fees are payable the day of service. **Checks, Cash, and Credit Cards are accepted.** Fees are listed on the Client Bill of Rights and on the website.

CranioSacral work takes place primarily on a massage table with the client remaining clothed. I recommend wearing something comfortable. Most people leave feeling more relaxed, centered and grounded. Many feel a degree of symptom relief even after a first session. Conditions that are more chronic often take more sessions. Occasionally symptoms are aggravated by the work as things come to the surface. Some people like to have time following a session to rest, relax and integrate their work while others feel invigorated and ready to tackle the next task.

Drinking more water following our work together will assist the body removing any toxins released from the tissues during the session.

A 24 hour notice is required if you need to cancel or reschedule your appointment. The full fee will be incurred for late cancel or missed appointments.

Please feel free to call if you have any questions or concerns.

Warmly,

Kim Pilgrim
